RE: Water right "a31223" (57-10075)

Dear Ms. Wilhelmsen,

In response to the Protest of Extension of Time Request for Permanent Change Application, filed by Mark Tracy and ECHO, we would like to address some of his concerns.

1. When the property at 6211 Emigration Canyon was sold by Davis to David L. Phillips, he received 1.15 ac-ft of the water right as per our sales contract. (57-10077)
2. The remaining amount of water retained by the Davis' **(57-10075) is 1.81 ac-ft.**
3. We filed the Change Application to move the point of diversion for the 1.81 ac-ft to our home property at 1832 N. Pinecrest Canyon.
4. The Extension of Time Requests have been filed along with fees paid as work progresses for proving beneficial use.

Throughout the years, I have followed the advice of the Division of Water Rights on filing the appropriate forms in order to preserve our water rights.

I respectfully request the Extension of Time for the Permanent Change Application.
