NOTICE

Case No. 20200295-CA

Trial Court Case No. 190901675

Please be advised that this case has been assigned to the Court of Appeals. Further proceedings will be handled by this court. Please note that the case number will remain the same as it was in the Supreme Court, with the exception that it will have a -CA after the number.

As of this date, this court has not been notified of a transcript request, that a transcript has been previously prepared or received a certificate that no transcript is needed. If within **seven (7)** days of the date of this letter, this court has not received written notice that the transcript has been requested, that a transcript has been previously prepared or certificate that transcript is not required, a briefing schedule will be established without benefit of the transcript.

A transcript is required of all evidence regarding challenged finding or conclusion. If the appellant intends to urge on appeal that a finding or conclusion is unsupported by or is contrary to the evidence, the appellant shall include in the record a transcript of all evidence relevant to such finding or conclusion. Neither the court nor the appellee is obligated to correct appellant's deficiencies in providing the relevant portions of the transcript.

Transcripts may be ordered on line by going to the court's web site at **www.utcourts.gov**. Under "Do", select **Request a Transcript**. The State Transcript Coordinator, Crystal Cragun, may be reached at either (385) 312-0888 or crystalc@utcourts.gov.

Please note, failure to perfect an appeal at any time during the appeal process may result in dismissal of the appeal.
