RE: Update to Protest of Permanent Change Application,
a44045 (57-7796) and a44046 (57-10711) by Emigration
Improvement District

Dear Mr. Jones:

This is an update to my previous protest.

Please note that my private well has experienced quality impairment I believe to be caused by the extraction of water by the operation of the Brigham Fork, Upper Freeze Creek, Freeze Creek Well #1 (aka Boyer Well #1) and Well #2 (aka Boyer Well #2) by the Emigration Improvement District.

Sincerely,

Margot McCallum
