RE: Permanent change application a44046 for water right 57-10711

Dear Mr. Jones,

This letter is to protest the Emigration Improvement District's application for permanent change a44046 for water right 57-10711 because the EID knowingly, repeatedly, and falsely reported that the EID had leased me a water share when no such lease existed.

Specifically,

- 1) I never leased a water share from the EID, and despite repeated requests, the EID could produce no evidence that such a lease existed or was signed by me.
- 2) I owned the perfected water right 57-7569 to which I still hold title, when I owned my house at 5202 E. Emigration Canyon Road.
- 3) Recently, I closed on the sale of 5202 E. Emigration Canyon to a third party.

Because the EID knowingly and repeatedly presented false information in their change applications, you are obligated to reject a444046.

I hereby request a hearing in this matter. This protest has been submitted online and a copy sent by postal mail; I have submitted the \$15 protest fee online.

Sincerely,

Jamie White
